

MAPLE

On Monday, 12th February Maple Bungalow celebrated Matt's 18th birthday. He invited another group of boys from Fir apartment to join Maple at The Woodpecker Restaurant for a celebration tea, finishing off the night with a movie and popcorn in the bungalow.

Happy Birthday Matt!

This term Maple boys on a Monday night have been cooking their own tea. As a group they have chosen what they wanted to cook, bought it on a budget at the local Sainsbury's and took it in turns cooking for everyone else. Everyone sits and eats together, interacting throughout. These tasks teach the importance of shopping on a budget, following instructions and kitchen safety.
