Last meeting

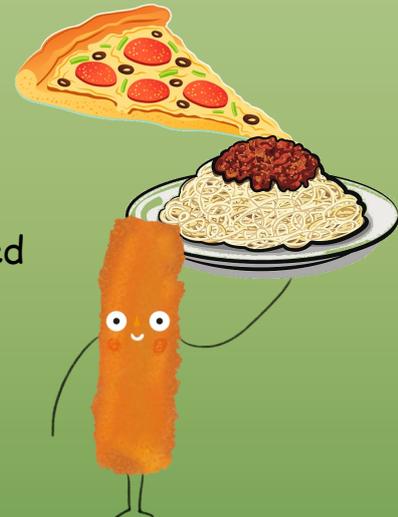

We went through the points/suggestions given from the previous meeting and discussed the results of them. The young people agreed with the outcomes, and the following matters arose:

Residential has been closed from March until July 20. Open from September to Christmas 20. Closed from January until February 21. From Ester we will be welcoming the young people from our current year 9's

From the last meeting

We have looked at the meals and everyone voted on the new menu for Spring;

- *Pizza and sweet potato fries*
- *Spaghetti Bolognese and garlic bread*
- *Fish fingers, chips and peas*

The apartment rules have been agreed and are displayed in each apartment.

Leaflets and information about 'Is your relationship healthy?', 'How to complain in Residential' and 'E-safety' are available in each apartment. Ask your support worker to show you where they are.

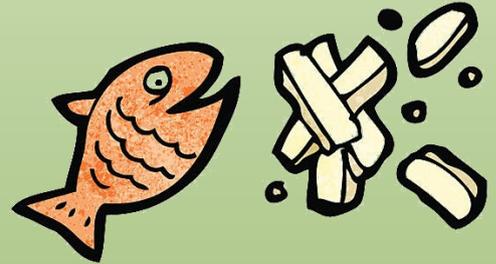

Theme nights - St. George's Day

On week beginning 19th April we will be holding theme nights about St George and taking part in a choice of themed activities.

Everyone voted at the meeting on what they would like to eat for tea, fish & chips was chosen.

This Term's Meeting we talked about...

Why are the young people only allowed to be on their phones for 15 minutes?"

It's so that staff can watch to check to see that you are safe.

How often do we need to practice fire evacuations?

To keep everyone safe, we practice what to do if the fire alarm goes off twice a year.

When will the apartments be allowed to mix and when can we stop wearing masks?

If no one is poorly with Covid we should be allowed to mix from the 17th May, but we will still need to follow school and Government rules. So, we may be allowed to mix outside and visit the shops, but not allowed to mix inside, or go out together in the mini bus.
