22<sup>nd</sup> October 2021

Dear Parents / Carers,

**We need your help !**

Greenbank School strive to provide positive experiences and opportunities for our students.

As part of our careers programme, we are looking for people that would be willing to come into school and talk to our students about their jobs and career experiences. We are also looking for links with local businesses who are able to host short visits to their employment premises.

If you think that you, your friends or family could help us to expand our students learning experiences in this way, please contact a member of the careers team below.
