

Dear Parents and Carers,

Thank you so much for your support with Harvest Festival this year. On Thursday morning we welcomed Roger from Mid-Cheshire Food Bank. He delivered an assembly on the work the food bank does for the local community across Cheshire West and Chester. Last year he shared that Mid Cheshire Food Bank had distributed over 100 tons of food - equivalent to 18 fully grown elephants.

Roger rang school this morning, not only to thank everyone again for their support, but to let us know that over 150 food items had been donated. This will make a significant impact on making emergency food parcels for members of our local community.

The School Aged Vaccination Service are scheduled to visit school after the half-term holiday to offer Covid-19 vaccinations to 12 – 15-year-old pupils. In order for a pupil to have access to a vaccine, consent must be provided by the family. If you have not yet returned the consent form sent out earlier in the term, but would like to, I have attached another consent form. The vaccination team have also asked school to pass on the following message:

'I would be really grateful if you could send a further communication to the parents / carers of this cohort asking them to contact the School Aged Immunisation Service by telephone (01244 397470) if they have submitted a consent form and their child subsequently tests positive for COVID-19 prior to the date of the scheduled school session.

This is because there must be a 28-day gap between a positive COVID-19 test and receipt of a COVID-19 vaccination.

These children will still be able to access a vaccination after the 28-day period and parents will be given the details of these additional clinics when they call.

Many thanks and kind regards.'

Residential Provision

School has recently reviewed its communication procedures. Could I ask that, when a pupil isn't in school or staying on residential, could you please inform the front office. The front office will then email class and residential teams with this information. Thank you.
