

Dear Parents and Carers,

You will be aware that a residential Ofsted inspection took place at school between 4th- 6th February 2020. At this stage the report is undergoing a quality assurance process and a draft provided to school for a factual accuracy check. The report will then be available on the Ofsted website within 28 days.

Unrelated to the inspection, school has received a request from Ofsted to share with parents and pupils who access residential provision a questionnaire. Instructions are as detailed below from Ofsted:

This replaces the 'Local Offer' which details all available services and provision for young people with an SEND. The link from the school website will open a 'Pathways to Adulthood' link. This link provides information about Post 16 options for training and employment. In the meantime the link below will take you directly to the 'Pathway to Adulthood' page:

Goodbye: To-day school says goodbye with a big thank you to Nikkita. Many of you will have spoken to Nikkita when you ring school. Nikkita has made a valuable contribution to school and we wish her all the very best as she takes the next step in her career. Best wishes from all at Greenbank.

Please have a safe weekend.

Our thoughts go out to those members of our community who are having to deal with the current flooding and the upset and disruption it causes.

Yours faithfully,
