

Preparing our new students for a successful transition

In this issue:

- A brief introduction to Greenbank
- An outline of transition activities
- Some helpful links
- Some images
- A bit of fun!

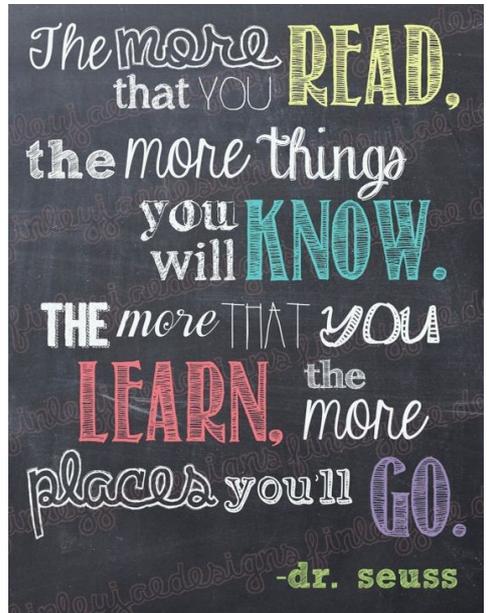

Welcome to Greenbank!

The purpose of this newsletter is to provide an opportunity for our new students and their families to get to know Greenbank, so that when September arrives everyone is ready for a positive transition. It will also give us a chance to get to know you—after all, we will be working together for the next 5—7 years, and no one knows your child better than you!

Mrs Scott , Deputy Headteacher

Transition activities:

- A video walk-through will go on the school website:
- <http://www.greenbankschool.org/> - just look at the tabs at the top of the home page for 'Transition'
- Mrs Bev Scott (Deputy Headteacher) will be in touch with all families to answer any queries or concerns.
- A monthly transition newsletter will be produced—we will ask our families for contributions so that we can start to get to know one another!
- Once your child has been allocated a class their teacher will be in touch.
- A student-friendly visual guide to Greenbank will be sent home to all students.
- A parent information presentation will be added to the website, and an information pack will be sent home, with paperwork to be completed by parents and carers.

Greenbank Needs You!

Please get in touch to let us know a little bit about your child—we would love to include some information about our new students. Please also send in some photos. We would ask that you DO NOT include any images of your child however—just maybe of some preferred activities. We will share these on subsequent newsletters. This can be emailed to school at the address above.

Student Zone

Joke:

Why did the student take a ladder to school?

Because they were going to High School!

We look forward to you being part of our school community!
