

## Healthy Schools Snack Policy

To make sure that the snack we provide at school matches Government standards the following options are allowed:

water

Water freely available throughout day

milk

Low fat milk available for snack time

fruit juice

Pure juice (max. 150mls)

fruit

Selection of fruit every day

toast

Toast once a week as part of life skills work - students to help prepare

\*Exceptions - school or class celebrations or events; food technology cooking; individual behaviour plan or termly learning goal target
