

20th November 2020

Dear Parents / Carers

This year we are having to do things a little differently due to the current Covid situation. Unfortunately there won't be a Christmas Fair for the parents and carers of the school, but we still want to do something for the amazing students at Greenbank.

We are planning to have a range of fun activities for the students to take part in in their key stage bubbles. Each key stage will have a timeslot to have fun and win small prizes for their participation, such as sweets and chocolate.

The Sixth Form Business Enterprise will be helping to fund the activities and the prizes, but to make it extra special we are asking for each child to bring a small contribution of £2. This will help massively with the running of the event and also make sure every child gets a prize. Please send the donation in a sealed envelope to Stefan Yarwood with your child's name and class on.

We really want to make this wonderful and giving the students back a little something for all their hard work and dedication since coming back to school.

The date of the fair is Monday 14th December 2020.

Yours Sincerely

S Yarwood
